

MARCH BOARD MEETING TOPICS

Recap of the meeting topics and discussion from the March 17th meeting:

Website / Communication Updates

As discussed a previous board meetings, the board will look to provide continuous communications to the residents regarding what is going on in the community. The Orchards website, www.orchardsatgreentree.com was recently updated with all 2016 Pool information, and will be updated with 2016 Election information as well.

By-Laws Project

The board is still trying to work through the By-Laws and Documents Update for the Association. We are working with the President of Target Property Management to move this project forward in a good way. We look to review a key update at the April and May meetings. Please join us.

Roads and Parking Project

Over the past few months the board has reviewed multiple proposals to repair the roads in a cost effective way. We are currently waiting on the completion of the Engineering Report for the community to determine the best approach to this project. Additionally, we understand parking is a concern and are looking for a good way to manage a parking policy in the community. As we outline the roads project in more detail, we will look to develop a committee to support the parking project.

Have something to say? Never been to a meeting? Join us April 21st!

OWNER UPKEEP AND ARCHITECTURAL REVIEW FORMS

A friendly reminder about property maintenance. All **property owners are required to keep up proper maintenance and repair on their property**, as outlined in the Homeowner's Association by-laws.

Grass and shrubbery should be properly cut and maintained. All exterior fixtures including windows, doors, soffits, siding, roofing, fences, sidewalk, etc., need to be properly maintained and repaired if damaged.

If you are **planning to make any changes** to the exterior of your home, please be sure to **contact the Management office first and submit the required Architectural Review form** for each project.

Let's keep our community beautiful!

TRASH REMINDERS!

Regular trash pick-up day is Thursday. Please do not place trash out for pick up prior to 6:00 PM Wednesday night. Place all trash in proper receptacles with lids or use heavy bags and tie them tight to withstand animals. Please label your trash cans to include your house number and pick up your trash cans after trash pick-up.

Please be mindful that trash areas are often on the property of a resident. Place trash and cans on the street, not the grass.

RECYCLING

All cans, bottles, newspapers and cardboard should be recycled in the **blue container** provided by the county. Recycling days are every other Friday, unless on a holiday schedule.

Trash cans and recycling bins left after township collection will be removed and disposed of to maintain a clean community.

BULK TRASH PICK UP

Evesham has moved to a **quarterly schedule** for bulk trash collection. The next Bulk Trash day is July 7th.

For more information contact Evesham Dept. of Public Works at 983-2900.

TOWNSHIP 'POOPER-SCOOPER' LEASH LAW

Please be a responsible pet owner when walking your pets. Evesham Township has a "pooper-scooper" law that is enforced and all pets must be walked on a leash. Please note the regulation:

D. No person who shall own or be in charge of any dog shall cause, suffer or allow such dog to soil, defile, defecate on or commit any nuisance on any common thoroughfare, sidewalk, passageway, bypath, play area, park or any other place where people congregate or walk or upon any public property whatsoever or upon any private property, without the permission of the owner or person in control of said property.

Failure to follow these regulations will result in legal action which includes fines of up to \$2,000 and/or imprisonment up to 90 days as outlined in the General Regulations.

PARKING

The white lined parking spots in front of the units have been reserved for Residents only.

Units do not have 'assigned' parking spaces, however each unit is allotted two parking spaces.

Guest Parking: All guests should utilize permitted curb space (not in front of a fire hydrant or mail box). Please notify your guests of the policy and ensure they are not parked in a resident parking space.
